Biographie de l'auteur With two historian parents, Sarah couldn't help but develop an interest in the past. She went on to get more than enough education herself (in anthropology) and began writing fiction when the stories in her head overflowed and demanded she let them out. While her ancestry is Welsh, she only visited Wales for the first time while in college. She has been in love with the country, language, and people ever since. She even convinced her husband to give all four of their children Welsh names. She makes her home in Oregon.
