**Description :** Description du produitThe phrase "life's little ironies" is now proverbial, but it was coined by Hardy as the title for this, his third volume of short stories, including such classics as An Imaginative Woman and A Tragedy of Two Ambitions. Unified by his quintessential irony, strong visual sense, and engaging characters, these stories deal with the tragic and the humorous, the metaphysical and the magical. This edition is the first to be based on a critical examination of all available manuscript and printed versions of the texts.

Prsentation de l'diteurThomas Hardy was an English writer and poet in the Romantic era. Hardy was greatly influenced by Charles Dickens and William Wordsworth, and he went on to write critically acclaimed classics like Far From the Madding Crowd and Tess of the dUbervilles Prsentation de l'diteurThomas Hardy was an English writer and poet in the Romantic era. Hardy was greatly influenced by Charles Dickens and William Wordsworth, and he went on to write critically acclaimed classics like Far From the Madding Crowd and Tess of the dUbervilles Biographie de l'auteurThomas Hardy was a poet and novelist of the

naturalist movement. He trained as an architect. He was a religious man who was also deeply influenced by Darwin and fascinated by ghosts and spirits. During his lifetime, he was best known for his novels. His stories combine nuanced description of natural surroundings with the sense of impending moral crisis. He claimed that poetry was his first love, though, and in recent years his poetry has received much critical acclaim.
