The oldest son of Sheikh Hassan Yousef, a founding member of Hamas and

its most popular leader, young Mosab assisted his father for years in his political activities while being groomed to assume his legacy, politics, status . . . and power. But everything changed when Mosab turned away from terror and violence, and embraced instead the teachings of another famous Middle East leader. In *Son of Hamas*, Mosab reveals new information about the worlds most dangerous terrorist organization and unveils the truth about his own role, his agonizing separation from family and homeland, the dangerous decision to make his newfound faith public, and his belief that the Christian mandate to love your enemies is the only way to peace in the Middle East. *Prsentation de l'diteur* *Son of Hamas* is now available with an all-new chapter about events since the books release such as the revelation of Mosabs Israeli intelligence handlers true identity, and Homeland Securitys effort to deport the author.
