Description : Description du produitAnger be now your song, immortal one,Akhilleus' anger, doomed and ruinous, that caused the Akhaians loss on bitter lossand crowded brave souls into the undergloom, leaving so many dead men-carrionfor dogs and birds; and the will of Zeus was done.-Lines 1-6Since it was first published more than twenty-five years ago, Robert Fitzgerald's prizewinning translation of Homer's battle epic has become a classic in its own right: a standard against which all other versions of The Iliad are compared. Fitzgerald's work is accessible, ironic, faithful, written in a swift vernacular blank verse that "makes Homer live as never before" (Library Journal). This edition includes a new foreword by Andrew Ford.

wireless delivery. Critique This excellent abridgement achieves the rare distinction of rendering the whole work more accessible. The sharpened narrative arc increases the emotional intensity of this most ancient and exciting of war stories, yet all the most moving speeches remain. Atmospheric details abound. Narrator Anton Lesser inhabits the characters--men and gods--speaking their words with fluidity... Characters are mentioned in quick succession; one almost envisions the Achaeans and Trojans trotting from their locker rooms onto the field as their names and positions are announced. Once introduced, however, the warriors battle to their honorable ends, and the listener is gripped by the story's unrelenting pace. Orchestral selections herald each segment, highlighting the gravity and profundity of the poem's themes. --AudioFile 2008
