## Description :

Prsentation de l'diteurBabe Walker, center of the universe, is a painstakingly manicured white girl with an expensive smoothie habit, a proclivity for Louboutins, a mysterious mother she's never met, and approximately 50 bajillion Twitter followers. But her "problems" have landed her in shopping rehab-that's what happens when you spend \$246,893.50 in one afternoon at Barneys. Now she's decided to write her memoir, revealing the gut-wrenching hurdles she's had to overcome in order to be perfect in every way, every day. Hurdles such as: I hate my horse. Every job I've ever had is the worst job I've ever had. He's not a doctor, a lawyer, or a prince. I'll eat anything, as long as it's gluten-free, dairy-free, low-carb, low-fat, low-calorie, sugar-free, and organic.In an Adderall-induced flash of inspiration, Babe Walker has managed to

create one of the most enjoyable, unforgettable memoirs in years. *Revue de presse* "I now have a girl crush on Babe Walker! Laugh-out-loud, pee-in-your-Cosabellas funny." *Tori Spelling*, author of *Uncharted TerriTori* "White Girl Problems makes me laugh a lot, and cry a little. It's about time someone drew our attention to the devastating reality: White girl problems are all around us . . . absolutely hysterical." *Susan Sarandon* "Babe Walker will be your new best friend and worst enemy. I loved it!" *Emma Roberts* "The epitome of the urban socialite you love to hate." *Time magazine* "A social satire in the guise of a memoir. . . . The most artful elements are the charming fashion illustrations peppered throughout Walker's half-million followers on Twitter and the public's bottomless appetite for news about real-life socialites like the Kardashians prove that a large audience for this story does exist." *Booklist* *Présentation de l'auteur* Babe Walker, center of the universe, is a painstakingly manicured white girl with an expensive smoothie habit, a proclivity for Louboutins, a mysterious mother she's never met, and approximately 50 bajillion Twitter followers.
